Don't know if you will see this i just wanted to actually find and get to know family i haven't seen since around when my grandpa William Fleeger passed when i was younger. William and Norma Jean were my grandparents, with my father being Bill Fleeger as well! i'm truly sorry for your loss, just wanted to find where my grandparents lived and when i search for them it leads me here, which saddens me for your loss and that it might be my uncle i never got the chance to know! Sending my prayers to you and your family! See the comments are from 12 years ago, so sorry if it brings up any unwanted emotions, it is definitely not my intention on sending you a message! Just missing my grandparents and wished i would of been able to be around them more and know some of my father's family as i do my mother Ronni (Veronica's) family!!! Prayers to you!!!

So sorry for your loss, especially around the holidays. It is never easy losing a brother, an Uncle and a friend.
