“ Rest in Peace my friend. You were a great hunting partner and we had some great times in the trailer. I remember all the times you helped field dress the deer we had harvested. You will be missed but not forgotten.

“ Ted you were a amazing person to a lot of people especially Di. I have not known you very long but I could tell how special you really were. I am sorry you had to go thru that nasty cancer and lose the battle. I know you will be missed by many people and especially your wife. I know this will be hard on you Di especially after losing your mom. Not long ago I lost my mother and not long after that lost my brother Lynn to cancer and I think my mom had cancer to but she would not go to doctor to get checked out. But any how I am sorry for your loss and I am sending many prayers your way 🙏🙏🙏

“ I will miss you Ted! When I think of you I think of that Big Red Dodge Pickup! Having coffee, laughing and yes frustrating each other with banter and debate at work. Down deep you were a big Teddy Bear! Rest In Peace knowing you are loved, cherished and missed.

“ *We are saddened by the loss of your darling friend for many years, and recently married husband, Ted. We will never forget his love for Helen and how much she loved him. His caring and smile for us at our first meeting as friends of the family made us feel like old friends of his. He was a big love and will not be forgotten.*

“ *Ted was a joy to work with. He had a huge heart and was funny as hell too! There is no getting over his loss, I cannot image the pain you are feeling but know that soon that pain will get smaller. Grief will be easier to tolerate but never go away. His memory will bring back tears at first, but soon that grief will bring back happy memories and he will live in your heart forever. Pease and love to all, he may be gone but his joy persisted in all of our hearts.*
