“ *Just told this story today, remembering the Snowstorm of '93. Ted drove for me at VanTassel Trucking. I got a call from Fisher to bring the backhoe to Fisher to help clear the Millcreek Township Roads. I worked all day and into the night when this Bronco pulls up. Ted heard I was out there somewhere, and he and Ann came looking for me. He approached with the usual laugh and handed me sandwiches and soup. Sure was glad to see him. One of the good ones, always fun to have a beer or 3 with. Prayers and Rest Well my friend. Jeff McMaster*
