“ I met Tom on boh online game, and we quickly became good friends! He was honest, loyal, supportive, and funny! He would tell me fishing stories, we would talk about how he was progressing in his therapy, and how he hoped to beat the odds of having to walk, how much he loved his family, his kids, and his best buddy! He was a well known player, and on behalf of my guild, and Book of Heroes, i would like to give my condolences, my sympathy, and my love for a kindred spirit!
