“ Tom and I were room mates for over two years at Clarion State College. I will always remember the days we spent together as time on Earth well spent; I wouldn't trade any of them. He made my life fun to live just by being around... I hope I provided the same for him. I was hoping our paths would cross again but that was not to be. I will keep your memory as friend and brother close. Sleep well, we're not too far behind. Thanks Tom.
