“ Tommy and I shared some pretty funny memories and experiences as we hauled freight and oversized loads all over the east coast and as far west as Texas over a period of many years. Dean his son, was along on many of those miles. We had some good times. Once we started down a steep mountain and there was a sign saying 'RUNAWAY TRUCK RAMP ONE MILE AHEAD'. Tommy got on the CB radio and said , Hey Dickie ; don't let your truck run away !! For many years after that I always thought of Tommy every time I saw a runaway truck sign. Tommy had a unique sense of humor that you had to learn to appreciate. He allways had that half silly smile on his face when he was telling you his newest joke. Tommy was my friend and I will miss him. Cynetta and I want to express our most sincere condolences to his family. Dick and Cynetta Bessetti

*I have a ton of Tommy stories ,but I think the funniest one was when we took a bus trip to a casino.We stopped for breakfast and he disappeared we got back on the bus and he had been across the road and bought a pair of suspenders the brand was Dickie,we had so much fun with that all day.You have touched so many people along your journey thru jife,you will be truely missed.*
