“ We are all so very sorry to learn of Vern's passing. He was a bright spot in our day at the scale house and chip pad at Temple Inland when he brought in a load. We still have a photo of his "big cow" on the wall that he brought into us. He will long be fondly remembered for his wit and his humor and his ability to brighten those around him. His sly smile as he unzipped his jacket to reveal a steelers sweatshirt when they had won the day before, knowing that several of us were anti-steelers never failed to put smiles on all our faces. Many were the times that he passed along helpful information on farming to those having problems. He will live on forever in our minds. Rest In Peace Vern, The scalehouse and chip pad crew, Brian O. Dave M. Robin C. Janet S. Chrystal F. Willard S. Dave B. Skip R. and many many more. Vern was typical of the saying, "He was a friend that you just hadn't met yet" If you met him, you liked him.

“ Amy, Junior, Davey and Susie -- You are in our thoughts and Prayers. We will forever hold all our church memories of Vern in our hearts . 2 memories will always stay with us.....His testimony the last time he was at church and him always asking Jenn if her boyfriend would be mad if she helped him to his truck. She enjoyed that walk every Sunday he was there. He will be missed.

“ When my mother was in Golden Living, in February, Vern would stop by and tell us all stories about friends that he had in the Lucinda area. We always looked forward to his visits. He was such an upbeat interesting person and he had a heart of gold. My mom passed away at Golden Living in February. That evening, I was walking down the hall and saw Vern sitting in the family room all alone. I stopped in to see him and he told me that he knew mom had passed. He cried and could barely talk but he asked me if I would pray with him. He sat in a chair and I knelt beside him, held his hand and we prayed and cried together. I have never been so touched in my life. I only knew Vern for that short period of time but I realized that I had met someone very special. I am guessing that mom welcomed him into Heaven because if anyone deserved Heaven, Vern surely did. He will never be forgotten by our family and he will always be in our prayers. Our deepest sympathy goes out the family of this very special man. He will be missed. Sincerely, Bob Collett, Jr.
