“ *Dear Tina, Brian and Lisa,  
So very sorry to hear of your Mom's passing. My Mother also had Alzheimers. I know what all you went thru and I know all the things you will be second guessing yourself on. Rest of sure everything you did with your mother while she was living was the perfect thing. No regrets. She had loving children and what more could a Mother ask for. My deepest sympathies to all of you.  
Love,
