“ To My Dearest Cousins, Heaven received a new angel when Aunt Ginny arrived. There is no doubt that Uncle Dean was there to meet her as well as others who have gone before. I'm sure there is laughter & stories being told and Praises to our Lord. I have such wonderful memories of 4th of July picnics and always being welcomed with a warm hug and a kiss on the cheek. Aunt Ginny had a heart of gold and it shines still today in the memories everyone has of her. You all were raised by two terrific parents and their family values and beliefs are now being past down through you to the generations to come and that will make a difference in this world. Just like they did. Love to all.

“ I won't be able to see you, as we are out of town. I just wanted to let you know how my heart breaks for you. Ginny has ALWAYS been a big part of my life. I don't remember not knowing her. I think my first memories are when she and your dad were youth leaders at church. We met in your basement. I am not sure what she did with all of you but it was a wonderful time. I wish I could be there to give you all hugs. We will always be family. Love to you all.
