“ Dear Sandrock family, I was so sadden to hear of Virginia"s passing. I worked with her many years ago at the old Clarion Hospital. I was a brand new RN and she was a big help to me. We worked nights together and had a blessed time caring for our patients and just becoming friends. Even though we didn't see much of each other over the years; each time we happened to meet it was like seeing a long lost friend. She was a very caring and kind lady and I will remember her forever. I know she will be missed. May your family be blessed with many fond memories of her. God Bless.

“ I had the pleasure to work with this truly wonderful woman at Rheas Motel, my deepest heartfelt sympathy goes out to the family, It was always a pleasure to work with Virginia, and her daughters. It saddens me on her passing because it was a close knit group at the restaurant, and its like one of my own members has passed, again my heart goes out to the family.

“ I knew Virginia as an aide working for me at the Old South 7th Avenue building. She was a caring person and a hard worker. I also was around the Sandrock family at square dances in the area. You all have my sympathy at this time of loss. My thought and prayers go out to this kind soul in her passing on to be with the Lord, and to the family members in their loss.
