

William A. Culbertson

June 19, 1955 - March 20, 2022

William A. "Cutty" Culbertson, 66, of Clarion, passed away unexpectedly of natural causes on Sunday, March 20, 2022 at his home, "The Lodge".

He was born on June 19, 1955 in Clarion, the only son of William E. and Ethel Port Culbertson, the youngest of 4 children.

Cutty was a 1973 graduate of Clarion Limestone High School.

He worked in construction as an equipment operator for many local companies. Cutty also owned and operated Cutty's Landscaping.

He enjoyed spending time with his family and friends, who can attest to the unique adventures they took with him. He also had an unquenchable passion for flying and could often be heard soaring in his Skyhawk XP.

Cutty leaves behind his sons, Carter, age 8, and Cameron, age 6, whom he loved more than anything. He also leaves behind his sons' mother, Angie Clinger, who he made a myriad of fun memories with, including boating and fishing on the river.

He is also survived by his mother, Ethel Culbertson; his sisters, Jane Culbertson and Mary Altman; and a brother-in-law, Robert Skarada, all of Clarion; his nieces, Carrie Allio and her husband, Mark, and their sons, Asher, Gage, Hank, and Ty of Slippery Rock and Megan Tompkins and her husband, Will, and their daughters, Rowan and Cora of Alaska and his nephew, Kent Contreras of Pittsburgh, whom all enjoyed their special times with "Uncle Cutty", along with many cousins on the Culbertson and Port sides.

Cutty was preceded in death by his father, William Culbertson, and his oldest

sister, Kyle Skarada.

Family and friends will be received from 4 p.m. to 6 p.m. on Thursday, March 24, 2022 at the Robert V. Burns Funeral Home in Clarion.

A funeral service will be held at 11 a.m. in the funeral home on Friday, March 25, 2022 with Rev. Mark Allio presiding. Livestreaming of the service can be viewed via our Facebook page at Burns Funeral Homes.

Interment will follow in the Clarion Cemetery.

“ I'm so sorry to hear of Cutty's passing. I didn't know him well, but he was one of those background characters of my childhood who I remember fondly. We used to see him out on his pontoon, cigarette dangling loosely from his lips, with Jackson standing guard. I remember him shampooing his hair in the river and how he used to let us use his lodge's bathroom so we didn't have to pee in the woods. One time, I remember him flying his plane under the I-80 bridge. He was quite the daredevil. He was a kind man and my sympathy goes out to the Culbertson family.

“ With sincere sympathy to the families of Cutty

.
Cutty ,he was one of a kind ,a generous caring man who had many talents . You could find him many places , at the airport in the hanger tinkering, wrenching on a car or fixing up a mower ,at the Timberwolf Lodge boating , wood working on his place or if in good perfect timing frying some fresh Walleye to share from Lake Erie . We have shared too many memories to mention here but the fun was first class packed full of excitement and much adventures. There were many plane rides to air shows , Outlet mall shopping, lunch in Conneaut Lake to see a close friend , headed to St Mary's to see a best bud ,New Jersey bound for a getaway was a blast !!!! I will always remember him saying “Hey Michele can you fly the plane for a few ,I have to check some things out on the map” ... So I did .. flying home through the fireworks were amazing you could see them over each city as we buzzed byI could go on and on Thanks friend for everything...Rest in peace .💕💕

... God had bigger plans for you, sadly . You will be forever missed.
Michele , Chase and Dawson Hotchkiss. ❤️🌈❤️

“ We were so blessed to have met Cutty! He had a huge heart! Rented cabin from him twice in 2020, and camped there in our trailer for two months in 2021! I had just texted him on St Patty's Day to see about setting something up for this year. He made ya feel like he had known ya forever. We instantly became friends and kept in touch. So enjoyed all the campfires and his wild stories. His boys were his life. He loved them so much! Will never forget those sparkling eyes and devilish grin and laugh. He truly loved life. Cutty will live on in everyone he met. May God wrap his arms around the boys, and his family, watch over them all, and keep them in his care! There is absolutely no doubt in my mind that he flew UNDER the Clarion Bridge one last time on his way up to heaven ! Rest in peace dear friend! You will be missed! Always said "love and miss ya"

“ To Angie, Carter, Cam, Mary and the entire Culbertson family, our deepest sympathy. Truly, there are no words to express what’s in our hearts. I don’t know that God ever put more loved children in any fathers’ arms. The pride and joy Bill had for his boys shined through his eyes like starlight. He was always authentic, a true original, and will never be forgotten. May all the wonderful memories you’ve shared comfort you through this difficult time. So sorry for your loss. “ *Many years have passed since I last saw Cutty. I moved from Clarion never to return. I carried with me fond memories of hanging out, fishing and taking off in his plane once in awhile to go have lunch somewhere. Greatly saddened when I received word of his passing. He had a strong character and a gentle personality. You will be missed by many my friend. See you on the other side.*

“ Our deepest sympathy to the family... Cutty was a good friend and it was always a pleasure to see Cutty and find out what he was up to and compare notes!! His eyes were always "aglow" when I saw him as he could not have been prouder of his two boys, they seemed to bring out the boy in him!! We will certainly miss seeing Cutty on the river or just out and about...again, our deepest sympathy to Cutty and the family...

God Bless,

“ *In approximately 1976, Cutty's dad, Bill Sr. brought Cutty to Richardson, Texas. He said to "help him grow up and make a man out of him." Our friendship blossomed from there. Year after year, we could always pick right up where we left off. Cars to bikes to boats to planes, we had a ball. See ya soon buddy!*
