“ To all of my family. I so cannot wrap myself around this all. I had so much fun with Uncle Billy at family reunions, trips to New Jersey to see dad, yard sales at Shirley's and teasing her. Growing up as a child he always had a positive attitude around me. I'm not sure that I ever seen him mad about anything, while I spent time at Gramma Larsons as a child growing up. He always would carry on and tease us kids. I will cherish all those memories!! Even though we grow up and don't see each other in our families as often as we'd like we knew he was always in the backgrounds if you ever needed him. I remember once a trip to New Jersey that we sat in the back of Uncle Dick's bed of his truck so we all could go to see dad. He carried on the whole way and had us laughing so hard. I also remember him and Uncle Mike talking me into liking buttermilk. Now I love it. What memories I will always cherish. He left a special place in my heart. May he now rest in peace with God, and may Gods loving arms be around my entire family during this difficult time. I'm praying for you all, for peace. I love you all!
